No. GPKP/ACC/Odd term 24-25 FY students/358   Date:28th Aug 2024

Circular for newly admitted First Year Students

Odd term 2023-24 of First year students is commencing from 2nd Sept 2024. Academic calendar is displayed on the website as well as on the departmental notice board. All newly admitted first year students should attend the induction programme scheduled on 2nd and 3rd Sept 2024. Detail information about academic will be given in induction programme. Detailed circular about this programme and academic calendar is also circulated with this circular. Class time table is displayed on the departmental notice board. All students are instructed to do course registration as per the schedule given in the academic calendar. No extension in dates will be given under any circumstances. Attending all theory lectures as well as practical's of all subjects as per time table is compulsory. Student should not roam in the institute premises by bunking the classes. Attendance less than 100% in practical and 75% in theory can lead to detention, wherein term will not be granted and student will not be allowed to appear for examination, which can lead to loss of year. All students should follow proper discipline in the institute.
